EXPLANATORY STATEMENT

This Explanatory Statement accompanies and forms part of the Company's Notice of Annual Meeting. The Meeting is to be held at the offices of BDO, Level 11, 1 Margaret Street, Sydney NSW 2000, Australia on Wednesday, 28 August 2019 at 4:00pm (AEST).

This Explanatory Statement is to assist Shareholders in understanding the background to, and the legal and other implications of, the Notice and the reasons for the proposed Resolutions. Both documents should be read in their entirety and in conjunction with each other.

Terms used in this Explanatory Statement will, unless the context otherwise requires, have the same meaning as given to them in the Glossary contained in this Explanatory Statement.

Resolution 1: Auditor's Remuneration

BDO Auckland is the existing auditor of the Company and has indicated its willingness to continue in office. Pursuant to section 207T of the Companies Act, BDO Auckland is automatically reappointed at the Annual Meeting as auditor of the Company. The proposed Resolution is to authorise the Directors to fix the auditors' remuneration for the ensuing year for the purposes of section 207S of the Companies Act.

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

Resolution 2: Re-election of Director – Mr Phil Norman

In accordance with Clause 21.2 of the Company's Constitution, whilst the Company is admitted to the Official List of ASX, at least one Director must retire from office at each Annual Meeting unless there has been an election of Directors earlier that year. Unless required to retire pursuant to Clause 21.1 of the Company's constitution, the director to retire will be the director who has been longest in office since that Director's last election.

Clause 21.1 of the Company's Constitution states that a director must not hold office without re-election past the third annual meeting after that director's last appointment or re-election or for more than three years, whichever is longer. A single Managing Director of the Company (appointed under Clause 23 of the Company's constitution) is exempt from these requirements.

Mr. Norman was appointed as Non-Executive Chairman of Straker Translations Limited on 13 January 2014 and has not been re-elected since initial appointment.

In accordance with Clauses 21.1 and 21.2 of the Constitution, Mr. Norman is retiring and submitting himself for re-election as Director of the Company.

Mr. Norman was the founding Chairman of Xero Limited, one of New Zealand's most successful listed technology companies, and retired from Xero's Board in July 2012 after five years' service. Phil's other current director roles include the Independent Chairmanship of Loyalty New Zealand Limited (New Zealand's largest loyalty company and operator of Fly Buys), chair of NZX listed Plexure Group Limited (a marketing services software company) and Chair of AUT Ventures Limited (the Commercialisation arm of AUT University). Mr. Norman is a past chairman of the New Zealand Private Equity and Venture Capital Association and was for six years a member of New Zealand Trade and Enterprises' Beachheads advisory board. Mr. Norman holds an MBA from the University of Auckland and is a Chartered Member of the New Zealand Institute of Directors.

Having had regard to the ASX Corporate Governance Principles the Board considers Mr. Norman to be an independent Non-Executive Director.

Directors' Recommendation

The Board unanimously (with Mr. Norman abstaining) supports the re-election of Mr. Norman and recommends that Shareholders vote in favour of this Resolution.

Resolution 3: Re-election of Director – Mr Steve Donovan

As noted for Resolution 2 above, in accordance with Clause 21.2 of the Company's Constitution an election of Directors must be held at each Annual Meeting unless there has been an election of Directors earlier that year. Clause 21.1 of the Company's Constitution states that a director (other than a single Managing Director) must not hold office without re-election past the third annual meeting after that director's last appointment or re-election or for more than three years, whichever is longer.

Mr. Donovan was appointed a Non-Executive Director of Straker Translations Limited on 1 December 2004 and has not been re-elected since initial appointment.

In accordance with Clauses 21.1 and 21.2 of the Constitution, Mr. Donovan is retiring and submitting himself for re-election as Director of the Company.

Mr. Donovan is a former partner of Ernst & Young. He qualified as a chartered accountant in the UK and has operated within the IT and finance industry in New Zealand for several years.

Mr. Donovan has significant experience as a director and investor in the SME sector in New Zealand, including a finance director role at accounting software provider, Greentree Software Group, which was sold to MYOB in 2016. Other current directorships include, Buro Seating Limited (office chair wholesaler) and New Zealand Pure Dairy Products Limited (infant formula manufacturer).

Mr. Donovan is the Company's former chief financial officer and has worked with technology companies across a range of industries.

Mr. Donovan holds a Bachelor of Economics from the University of Lancaster and is a qualified chartered accountant and a current member of the Institute of Chartered Accountants in England and Wales.

Having had regard to the ASX Corporate Governance Principles, the Board considers Mr. Donovan to be a Non-Executive Director.

Directors' Recommendation

The Board (with Mr. Donovan abstaining) unanimously supports the re-election of Mr. Donovan and recommends that Shareholders vote in favour of this Resolution.

Resolution 4: Re-election of Director – Tim Williams

As noted for Resolution 2 above, in accordance with Clause 21.2 of the Company's Constitution an election of Directors must be held at each Annual Meeting unless there has been an election of Directors earlier that year.

Clause 21.1 of the Company's Constitution states that a director (other than a single Managing Director) must not hold office without re-election past the third annual meeting after that director's last appointment or re-election or for more than three years, whichever is longer.

Mr. Williams was appointed a Non-Executive Director of Straker Translations Limited on 24 June 2015 and has not been re-elected since initial appointment.

In accordance with Clauses 21.1 and 21.2 of the Constitution, Mr. Williams is retiring and submitting himself for re-election as Director of the Company.

Mr. Williams founded ValueCommerce Co. Limited in 1996, (an internet affiliate marketing company), selling a 49% stake to Yahoo Japan in 2005. Subsequently in 2007, ValueCommerce was listed on the Tokyo Stock Exchange. Mr. Williams' vision and record of achievement are demonstrated by the success and growth of ValueCommerce Co. Limited. Mr. Williams is one of the original pioneers in the Japanese internet and advertising industry.

Mr. Williams is also a director of The Icehouse, The University of Auckland's technology incubator, and is a General Partner in The Icehouse-linked fund, Tuhua Ventures, which invests in high-growth start-ups in New Zealand.

Mr. Williams holds a Bachelor of Science (Hons) in molecular genetics from the University of Canterbury. Having had regard to the ASX Corporate Governance Principles, the Board considers Mr. Williams to be an independent Non-Executive Director.

Directors' Recommendation

The Board (with Mr. Williams abstaining) unanimously supports the re-election of Mr. Williams and recommends that Shareholders vote in favour of this Resolution.

Resolution 5: Approval of additional 10% Placement Capacity

General

ASX Listing Rule 7.1 allows an entity to issue a maximum of 15% of its capital in any 12-month period without requiring approval of shareholders (subject to certain adjustments and permitted exceptions). ASX Listing Rule 7.1A permits eligible entities to seek Shareholder approval by special resolution at an annual meeting to issue an additional 10% of its issued capital over a 12-month period (**10% Placement Capacity**). The additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Shareholders approve Resolution 5, the effect will be to allow the Directors to issue equity securities under ASX Listing Rule 7.1A during the period of 12 months following the Annual Meeting without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Eligibility

An eligible entity under ASX Listing Rule 7.1A is one which, at the date of the resolution, has a market capitalisation of \$300 million or less and is not included in the S&P / ASX 300 Index. The Company anticipates that it will be an eligible entity for the purposes of ASX Listing Rule 7.1A at the time of the Meeting.

The Company hereby seeks Shareholder approval by way of special resolution to have the ability to issue equity securities under the 10% Placement Capacity.

The exact number of equity securities that may be issued pursuant to the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 which provides that eligible entities which have obtained Shareholder approval at an Annual Meeting may issue or agree to issue, during the 12-month period after the date of the Annual Meeting, a number of equity securities calculated as follows:

$$(A \times D) - E$$

Where

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception in ASX Listing Rule 7.2;
- plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- plus the number of fully paid ordinary securities issued in the 12 months with approval of Shareholders under ASX Listing Rules 7.1 or 7.4. This does not include an issue of fully paid Shares under the Company's 15% placement capacity without Shareholder approval;
- less the number of fully paid ordinary securities cancelled in the 12 months;

Note that A has the same meaning in the ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under ASX Listing Rules 7.1 or 7.4.

Any equity securities issued under the 10% Placement Capacity must be in an existing quoted class of the Company's equity securities. The Company presently has one class of quoted securities, being Shares (ASX Code: STG).

If the Company issues any equity securities under the 10% Placement Capacity, the entity must, pursuant to ASX Listing Rules 7.1A.4 and 3.10.5A:

- a) give to the ASX a list of the names of persons to whom the Company allotted equity securities and the number of equity securities caused to be allotted to each (but this list is not required to be released to the market); and
- b) disclose to the market the details of the dilution to the existing holders of ordinary securities caused by the issue; where the equity securities are issued for cash consideration, a statement of the reasons why the eligible entity issued the equity securities as a placement rather than as a pro rata issue (or other type of issue in which existing shareholders would have been eligible to participate); the details of any underwriting arrangements and fees payable to the underwriter; and any other fees or costs incurred in connection with the issue.

Required information

The following information is provided to Shareholders to allow them to assess Resolution 5, including for the purposes of ASX Listing Rule 7.3A.

Minimum price

As required by ASX Listing Rule 7.1A.3, any equity securities issued by the Company under ASX Listing Rule 7.1A can only be issued at a price that is no less than 75% of the volume weighted average price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- a) the date on which the price at which the securities are to be issued is agreed; or
- b) the date on which the securities are issued if the securities are not issued within five trading days of the date on which the issue price is agreed.

Risk of economic and voting dilution to existing Shareholders

If Resolution 5 is approved by Shareholders and the Company issues securities under the 10% Placement Capacity, the additional economic and voting interests in the Company will be diluted. There is a risk that the market price of the Company's securities may be significantly lower on the issue date than on the date of the

Annual Meeting and the securities may be issued at a price that is at a discount to the market price on the issue date.

The table below shows a number of potential dilution scenarios for a capital raising which may be conducted under ASX Listing Rule 7.1A as required by ASX Listing Rule 7.3A.2 where the number of the Company's Shares on issue (Variable "A" in the formula in ASX Listing Rule 7.1A.2) has remained current or increased by either 50% or 100% and the Share price has decreased by 50%, remained current or increased by 100% based on the closing Share price on ASX at 16 July 2019.

Variable "A" in ASX Listing Rule 7.1.A.2		Dilution		
		\$0.98 50% decrease in Issue Price	\$1.96 Issue Price	\$3.92 100% increase in Issue Price
Current Variable A 52,917,440 Shares	10% Voting Dilution	5,291,744	5,291,744	5,291,744
	Funds Raised	\$5,185,909	\$10,371,818	\$20,743,636
50% increase in current Variable A 79,376,160 Shares	10% Voting Dilution	7,937,616	7,937,616	7,937,616
	Funds Raised	\$7,778,864	\$15,557,727	\$31,115,455
100% increase in current Variable A 105,834,880 Shares	10% Voting Dilution	10,583,488	10,583,488	10,583,488
	Funds Raised	\$10,371,818	\$20,743,636	\$ 41,487,273

The above dilution table uses the following assumptions which the Company does not represent will necessarily occur:

- the "issue price at current market price" is the closing price of the Shares on ASX on 16 July 2019;
- Variable "A" is 52,917,440 which equates to the number of current Shares on issue at 16 July 2019. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro-rata issue) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders meeting;
- the Company issues the maximum number of securities available under the additional 10% ASX Listing Rule 7.1A approval;
- the table shows only the effect of issues of securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- no options (including any options issued under the 10% Placement Capacity) are exercised into Shares before the date of issue of equity securities;
- the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- the table does not show an example of dilution that may be caused to a particular Shareholder by reason of the placements under ASX Listing Rule 7.1A, based on that Shareholder's holding at the date of the Annual Meeting;
- the issue of shares under ASX Listing Rule 7.1A consists only of fully-paid ordinary shares in the Company; and
- "Funds Raised" are before any capital raising costs which may be incurred.

10% Placement Period

Shareholder approval under ASX Listing Rule 7.1A is valid from the date of the Annual Meeting until the earlier of:

- a) the date which is 12 months after the date of the Annual Meeting; or
- b) the date of approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).

Purpose of additional 10% Placement Capacity

While the Company does not have any immediate plans to issue Shares under the 10% Placement Capacity, the Company may seek to issue securities under the 10% Placement Capacity for either:

- a) cash consideration. The Company may use the funds for working capital, investing activities (including possible complementary business acquisitions if any are identified and approved by the Board), meet financing commitments or capital management activities deemed by the Board to be in the best interests of the Company; or
- b) non-cash consideration for transactions deemed by the Board to be in the best interests of the Company. In such circumstances the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the securities complies with ASX Listing Rule 7.1A.3.

The Company will comply with any disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon the issue of any securities under ASX Listing Rule 7.1A.

Allocation policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of allottees of equity securities will be determined on a case by case basis having regard to factors including but not limited to the following:

- a) the methods of raising funds that are then available to the Company;
- b) the effect of the issue of the equity securities on the control of the Company;
- c) the financial situation and solvency of the Company; and
- d) advice from professional and corporate advisers (if applicable).

Allottees under any capital raising which may be conducted under the 10% Placement Capacity pursuant to ASX Listing Rule 7.1A have not been determined as at the date of this Notice of Meeting and may include existing and/or new Shareholders but cannot include any related parties or associates of a related party of the Company.

Previous Issue of Securities under ASX Listing Rule 7.1A

The Company has not previously issued securities under ASX Listing Rule 7.1A.

Information provided for compliance with ASX Listing Rule 7.3A.6

As the Company has not previously obtained approval under ASX Listing Rule 7.1A, it is not required to provide the information specified by ASX Listing Rule 7.3A.6.

Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues equity securities pursuant to the 10% Placement Capacity, it will give ASX:

- a) a list of the names of the persons to whom the Company issues the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with ASX Listing Rule 7.1A.4; and
- b) the information required by ASX Listing Rule 3.10.5A for release to the market.

At the date of the Notice of Meeting the Company has not invited and has not determined to invite any particular existing Shareholder or an identifiable class of existing Shareholder to participate in an offer under ASX Listing Rule 7.1A. Accordingly, no existing Shareholder will be excluded from voting on this Resolution.

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

Resolution 6: Ratification of Prior Share Issue (On-Global Consideration Shares)

On 18 June 2019, the Company issued 318,830 Shares for \$1.54 per Share as part consideration for the acquisition of On-Global Language Marketing S.L. (**On-Global Consideration Shares**) under the Company's 15% capacity as per ASX Listing Rule 7.1. In accordance with ASX Listing Rule 7.4, to restore the Company's capacity to issue Shares under ASX Listing Rule 7.1 it is proposed that Shareholders approve and ratify the issue of the On-Global Consideration Shares. The issue of the On-Global Consideration Shares was announced to the ASX on 17 June 2019 and did not breach ASX Listing Rule 7.1. Further details can be found in the ASX Announcement of 17 June 2019.

ASX Listing Rule 7.1 allows an entity to issue a maximum of 15% of its capital in any 12-month period without requiring approval of securityholders (subject to certain exceptions, none of which are relevant here).

However, ASX Listing Rule 7.4 provides that where an entity ratifies an issue of securities, the issue is treated as having been made with approval for the purpose of ASX Listing Rule 7.1, thereby replenishing that entity's 15% capacity and enabling it to issue further securities up to that limit from the date of the Annual Meeting.

The following information is provided in accordance with ASX Listing Rule 7.5:

a) Number of securities issued:

318,830 On-Global Consideration Shares)

b) Date on which securities were issued:

The On-Global Consideration Shares were issued and allotted on 18 June 2019.

c) Issue price of securities:

The On-Global Consideration Shares were issued for \$1.54 per Share.

d) Allottees of the securities:

The On-Global Consideration Shares were issued to the co-founders of On-Global Language Marketing S.L. as follows:

- 159,415 Shares issued to Monferko Consulting, S.L; and
- 159,415 Shares issued to Soluciones Cliche 2M12, S.L.

e) Terms of securities:

The On-Global Consideration Shares will be held in voluntary escrow for a period of 12 months from the date of issue (18 June 2019). Once released from escrow, the On-Global Consideration Shares will rank equally with the existing Shares on issue.

f) The intended use of the funds:

Acquisition of On-Global Language Marketing S.L. in combined cash and share deal.

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.
